Viewing Club Affiliation Status on VolleyZone

- Log into your club's VolleyZone account by [clicking here](#).
- On the club homepage, scroll to the bottom and click on 'Events/Affiliations Purchased' under the Events/Affiliations section.
- Next to your club affiliation purchase, you will see one of the following icons:
 - Green tick: Your affiliation has been **approved**
 - Red cross: Your affiliation has been **rejected**. A note will be attached explaining the reason.
 - No icon: Your affiliation is **in progress** and has not yet been approved. A staff member will contact you if any action is required.

Note: You only need only one club affiliation per season. If a club has more than one affiliation, one of them will be rejected and necessary refund will be processed.

The screenshot shows a table with columns: Event, Name, Purchased By, Price, Processing Fe, Line Value, and Actions. The table contains three rows of data. The second row, 'Standard Club Affiliation 2024|25', has a green tick icon in the Actions column circled in red.
