

WALES VOLLEYBALL ACADEMY

Wales aims to develop four competitive squads across the U15 and U17 boys' and girls' age groups. Our priority is to continue developing players based in Wales while also welcoming enquiries from other eligible players who have a connection to the region.

[Eligibility Criteria Document](#)

Our aim is to provide a positive development environment, build sustainable Welsh regional squads and create opportunities for more young athletes to experience regional-level volleyball.

To register your interest in being invited to the next Wales Academy training session please [complete and submit this Google form](#)

Wales Academy Training sessions are £16.62 per 3 hours session and payable via [joining the Wales Academy Spond Group](#)
