Points to note:

If you find that any of the match information is incorrect please e-mail me on [martin.shakespeare@ntlworld.com](mailto:martin.shakespeare@ntlworld.com) with your corrections

You will get e-mail notifications of any changes to match details (date/time/venue) – you still need to let the away team know

If you are the first named team in match 2 of a triangle WTR thinks you are the home team – please forward the e-mail to the hosting team of any changes you receive

If you arrange your own referees for a fixture please also let me know so I can update WTR to save me (or the other appointers) trying to find you Referees; Referee Commission will try and find Refs for unappointed fixtures up to 2 weeks beforehand – after that it is your responsibility. Ensure that if you are going to use unregistered Referees that you follow the NVL Regulations to do so and in any event please let me know who you will use so I can record it in WTR.

Play as much as you like – you can't break it!

If you need to change your details find yourself in contacts and when you click the magnifying glass you will get an edit icon (pencil on paper). Make changes and press green tick to save.

Any questions please e-mail me as above
