

Higher Education Volleyball Officer (HEVO) Programme 2023-24

Service Level Agreement

Service Level Agreement
<p>The purpose of this Service Level Agreement (SLA) is to agree between the contributing parties.</p> <ul style="list-style-type: none"> The appropriate use of the £150 (returning university) or £300 (new university and not part of the programme within the past 3 years) recreational volleyball grant from Volleyball England to the nominated higher education volleyball institution. The areas of joint working in the promotion and development of volleyball and the roles and responsibilities within these agreed areas.

Period of delivery for services agreed
<p>The HEVO programme is funded through Volleyball England and Sport England. An annual service level agreement signed by both parties must be completed before any transfer of monies.</p> <p>This SLA is for the period for delivery of services September 2023 to May 2024.</p>

Description of Services	
Service	Details
Appointment of a voluntary Higher Education Volleyball Officer (HEVO)	<ul style="list-style-type: none"> To be in partnership with Volleyball England, agrees to appoint a student as a HEVO. During the term of this Service Level Agreement, we must maintain appropriate and adequate insurance which covers such liabilities as may arise in the delivery of this programme. Insurance will be obtained through affiliation to Volleyball England via VolleyZone. Volleyball England will require the HEVO to deliver agreed targets (as set in SLA), including meeting the key performance indicators and reporting participation figures at the end of each term set out below in HEVO programme targets.
Support	<ul style="list-style-type: none"> With regards to the appointment and hosting of the HEVO, the parties agree to the services as outlined below. Volleyball England agrees to provide appointment and employability support services, mentoring support and access to training.

	<ul style="list-style-type: none"> We (The University) agree to host the HEVO providing suitable facility usage and support the establishment of the recreational session, marketing, upskilling students and reporting participation figures.
Financial Agreement	<p>The contributing parties shall make the following financial contributions towards the costs of deploying the HEVO</p> <ul style="list-style-type: none"> Volleyball England - £150 (returning university) or £300 (new university) for recreational volleyball development allocated to the activities below: <ul style="list-style-type: none"> - £100 or £250 of the grant must be spent on continuing the development of volleyball to support the University towards increased participation – with a key focus on growing participant numbers at a recreational level. (Further information can found in HEVO programme funding guidelines at the bottom of this document) - £50 of the grant should be used towards delivering a mass participation volleyball event. (Further information can found in HEVO programme funding guidelines at the bottom of this document) We (The University) will ensure the grant is spent appropriately and in line with this service level agreement. To make the process easier payment will be made via BACS from Volleyball England to the University. £140 in kind funding will be made available to each HEVO University to fund either two Grade 4 referee course places or a £140 subsidy of the Volleyball England Assistant Coach Award.
