Our club is made up of over 140 people across seven teams; three men’s teams, three women’s teams and one mixed team. We attract people from all backgrounds and skill levels with many of our players being complete beginners when they first join.

Working collaboratively with the Performance team, coaching community and support staff to continue to grow Volleyball at the University is the key. Bristol has an athlete centred approach with a clearly integrated team to support growth and delivery. Having positive values, behaviours and positive leadership skills will help within this role and making volleyball at Bristol the number one place to come in the UK.

The role will include a number of benefits within the package and this will be discussed at interview, but you will become part of the Performance Sport Coaching Community at the University and continuing our drive for sustained Top Ten place in BUCS Sport.

The Role:
The positions being advertised are Men’s 1st team coach, Women’s 1st team coach, Women’s 2nd team coach. The requirements for the positions are:

- Two training sessions a week totalling 3.5 hours (Days and times to be discussed depending on coaches availabilities) for 26 weeks starting 11th September
- 10 BUCS Wednesdays throughout term (very important)
- 8 (Women’s 1sts) or 12 (Men’s 1sts) NVL Sundays throughout term (optional, to be discussed)

Pay and contract details will be discussed at interview

Application:
If interested, please send an email to both Matt Paine (Performance Sport Manager) matt.paine@bristol.ac.uk, and the Volleyball Club uobvolleyball@gmail.com containing a volleyball related CV or personal statement. Please state clearly which position you want to apply for along with your qualifications, and don’t hesitate to email the club to ask any questions.

Applicants will be required to interview with the Performance Manager and members of the Volleyball club.

Application deadline is Monday, August 7th.
