36.3 Continental Cup on 25 and 26 May had been hosted by Waltham Forest Borough Council. IW reported that it was a great event which was very well run with a good level of engagement with the audience and volunteers and high level of community involvement. JI and CEO of Waltham Forest BC had also had a further meeting to discuss an ongoing future partnership. Waltham
Forest BC and SideOut have aspirations to develop the site and hopefully include covered courts. There was a potential of Waltham Forest becoming the National Centre for Beach Volleyball going forward. JI would have further meetings with the CEO. The only downside of the site was accommodation and access due to its location (too far away from the playing venue) and cost.

JI commented on the excellent quality of the 25 and 26 May event and the play. Great to see the England men go to the next round.
